

District Council 9 suffered an unimaginable loss on January 23, 2013 with the passing of our beloved sister, Teri Muroff-Meyer. For more than 20 years, Teri has been the glue that held us together. Starting in our Health and Safety Department, and later serving as the Executive Assistant to two Business Managers, Teri was instrumental in implementing all of the programs that service our membership. Teri made the most out of her short time on this earth as a gifted artist, a loving wife and daughter. Everyone at DC9 is walking around with heavy hearts, but we take solace in knowing that our lives have been touched by this wonderful woman. Teri will be sorely missed and never forgotten. Please keep her family in your thoughts and prayers, and remember a life well-lived, though too short.
