The New York Structural Steel Painting Contractors Association
Hurricane Sandy Disaster Relief Fundraiser Cocktail Reception

Monday, December 24, 2012
4:30 - 6:30 pm
DC 9 Hudson Valley Finishing Trades Institute
21 Airport Drive, Wappingers Falls, NY 12590

Dear Friends,

As our members and employees begin cleaning up and assessing the damage left behind by Hurricane Sandy it has become clear that unprecedented challenges lay ahead. Many in our industry lost everything and remain homeless. We need to show them that all is not hopeless. Because of our strong ties and commitment to each other we are more than an industry of finishing trades experts, we are like family. This is why on Monday, December 24 we will be holding a fundraiser to help those in need. We ask that you join us for \$100 per person and / or to donate whatever you can to help our members and employees rebuild their lives.

In solidarity,
Joseph Ramaglia, Business Manager / Secretary Treasurer, District Council 9, IUPAT, AFL-CIO
and
Kieran Ahern, President, New York Structural Steel Painting Contractors Association
